

phantomquad_for_p3t
_x86.hpp

```
graph TD; A["phantomquad_for_p3t_x86.hpp"] --> B["cassert"]; A --> C["immintrin.h"]
```

The diagram illustrates a file dependency. A central box at the top, labeled 'phantomquad_for_p3t_x86.hpp', has two blue arrows pointing downwards to two separate boxes below it. The left box is labeled 'cassert' and the right box is labeled 'immintrin.h'. This indicates that the top file includes or depends on both 'cassert' and 'immintrin.h'.
